

THEA

77119

Thea is a functional take on the classic accent chair. Offering the best of both worlds, Thea is available as a pushback recliner, and a power recliner, with the added option of a swivel base. Thea uses discreet touch control buttons between the arm and seat to recline, and the standard, non-swivel base features a new wooden sleigh leg, available in both walnut and black ash. Thea is available in all Palliser leathers, fabrics, and accents.
