

THEO

42002

The Theo recliner is all about a smaller scale without sacrificing comfort. The sleek narrow arms add a modern touch, accentuated with a piping trim. The unique back treatment is inspired by a toss pillow and the diagonal stitching and piped back details create a singular design statement. \r\n Take a seat on the high-resiliency foam, recline back and find perfect relaxation as you sink into luxurious comfort. The padded armrests have a subtle rounded shape. An extended footrest offers additional support when lounging or watching television in a fully reclined position. \r\n The Theo is available in either power or manual recline and a variety of unique comfort functions for maximized convenience including a rocking function, swivel, swivel glider, wall hugger and lift, which allows gentle ease from a sitting to a standing position, while reducing strain on joints. An alluring design, together with the modest size of the Theo collection make this recliner the perfect complement to your intimate space.
